I, Michael Pirie, declare as follows:

1. I am one of the inventors of the above-identified patent application that has been assigned to M-Qube, Inc.
2. My legal name is Michael Pirie. I use both my legal name "Michael" and nickname "Mike." I did not realize that these would not be considered equivalent by the Patent Office. The use of the name "Mike Pirie" in the Declaration, instead of "Michael Pirie" was done without deceptive intent.
3. I declare, to the best of my knowledge, that all statements made in this document are true, and that all statements made on the information and belief are believed to be true; and further that these statements were made with the knowledge

that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-identified patent application or any patent issued thereon.
